## JCONCEPTS BODIES

JConcepts Illuzion bodies feature hard edge styling with a deep inlay scoop design on the sides, and an ultra-narrow and low stance. The roof has been dramatically wedged, or "Illuzionized" for an aggressive look, while the rear has been designed for a more "real truck" looking bed. Made of .030" polycarbonate for durability, Illuzion bodies come complete with a rear spoiler that includes mounting hardware. All include paint-then-peel protective film, window masks and an extensive decal sheet.
