

Top-notch accessories for first-rate results!

SLOT MACHINE™ HINGE SLOTTING TOOL

- Cuts all hinge slots for an average kit in about 30 minutes — smoothly and cleanly.
- Use the Slot Machine Cutting Guide with the Precision Hinge Marking Tool for the utmost accuracy in cutting hinges for either CA or nylon hinges!
- Hinge Blades are available separately — choose from CA and medium and heavy-duty nylon.

GPMR4010

ACCUPOINT™ LASER INCIDENCE METER

- Measure incidence and wing washout with one-quarter degree accuracy and amazing ease!
- Simply clamps onto wings of up to 16" chord, and includes an accessory for reading engine thrust angle as well.

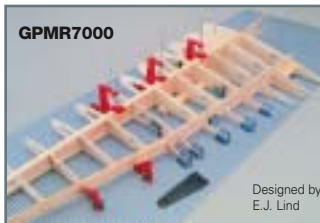

GPMR4020

PRECISION Z-BEND PLIERS

- Makes Z-bends at exactly the right spot in minutes — every time!
- Vinyl-covered handgrips for comfort.

MAGIC MAGNET™ BUILDING BOARD SYSTEM

- Magnets hold and align parts on a 16" x 48" steel plate before gluing — and without pins.
- Magnets and other system accessories also sold separately.

4-IN-1 INSTALLATION TOOL

- A reversible, snap-on insert quickly adapts the tool for work with clevises, cup- or open-type ball ends and wing bolts.
- When not in use, the insert stores neatly inside the handle.

GPMR8035

PINDRIVER™ T-PIN PUSHER

- Inserts and removes T-pins easily and painlessly.
- Ideal for hard materials and hard-to-reach places.

GPMR8050

10-PIECE SAE TAP & DRILL SET

- Covers 2-56, 4-40, 6-32, 8-32 and 10-32 applications.
- Comes in a flexible plastic case; tap handle required.

GPMR8108

DEAD CENTER™ HOLE LOCATOR

- The easy-to-use, "fail-safe" way to accurately mark screw locations for engine mounts — and prevent vibration.

GPMR8130

BENCH TOPPER™ RTU (READY-TO-USE)

- It's the compact organizer that comes factory-assembled and finished — ready to end workbench clutter.
- Features three roomy drawers, tool well, CA shelf, knife blade disposal and much more.
